N.B. With the LRFC AGM approaching and the limited response we have had from our membership the board may be faced with some difficult decisions this season. Without the support from others to step up to assist with committees to organize special events/programs the board may be forced to only provide essential services. This would be unfortunate considering this is our 35th anniversary.

Meeting adjourned at 11:00 pm

Next meeting: AGM Feb. 23rd, 2014 at 98 Regent St. Lindsay
