What are you able to do for the club in consideration of support from the fund? (Volunteering, playing for club, helping with club fundraising or events, etc.)

I have attached other supporting information.	Y	N
---	---	---

The LRFC Development Fund has been created to support Lindsay and area rugby players. The funding that supports this fund comes from fundraising activities in the local community and therefore it is the intention that by supporting Lindsay players, they will support the Lindsay club. Therefore, players who request and receive funding will be expected to play for the Lindsay Rugby Football Club and not for another "club". This does not preclude players who receive support from playing for college, university, provincial or national level representative teams. It is also expected that any support will be used only for the intended purpose and any player in receipt of support should retain documentation (receipts) to support where funding was used.

I, \_\_\_\_\_, acknowledge that if I receive support from the Lindsay Rugby Football Club (LRFC) Development Fund, that I will register and play for the LRFC. I also understand that if I choose to play for another club, that I must repay the amount of support I have received to the LRFC Development Fund. Failing to repay the support I have received will result in me being considered "Not in good standing", and therefore ineligible to register with Rugby Canada, until the support is repaid.
