May your spring season be successful!

Have you given any thought to postgraduate education? Do you want to continue playing rugby? Thunderbird School of Global Management has been *US News and World Report's* number one ranked school in International Business for 18 consecutive years. We boast an international alumni network second to none, and a strong rugby tradition. <http://www.youtube.com/watch?v=V7Cj7VEHO7M>,

Opportunity is maximized during our annual Rugby Alumni Weekend. Every year during the first weekend of March, Thunderbird rugby alumni return to Phoenix for the annual alumni game. This year saw 63 alumni return from around the world, ready for networking with rugby friends old and new, as well as strapping on the boots to take on the student team.

The student team competes in the Arizona region, and travels to Duke each year for the MBA Rugby World Cup. The alumni team tours on a biannual basis, in 2011 they toured Iceland, this year they tour Croatia and Montenegro. Previous tours include Cuba and Argentina.

Thunderbird offers MS and MA programs in International Management, as well as an MBA in International Management. As a global school, students are required to study abroad at some point during their studies. Programs are available for nearly any region of the world including South America, Africa, Europe, Asia, and the Middle East. Additional information is available through this link: <http://www.thunderbird.edu/why-thunderbird>

Best of luck in your future endeavors, and should you find yourself wanting to get back on the pitch, we hope you will consider Thunderbird.

Cheers,

Jay Stahlman, President of the Thunderbird Rugby Club
Chuck Hamilton '91, President, Thunderbird Alumni Rugby Association
